GOAL NO.: 2
DATE: February 8, 2012

ACTION PLAN

GOAL: By June 2012, the WCSD will prepare a facilities plan that supports the curriculum and instructional goals of the Master Education Plan, focusing particularly on the urgent short term needs as well as long term needs of the District.

SPECIFIC OBJECTIVE: FACILITIES

STEP NO.	ACTION STEP	STATUS
1	Create a building evaluation team consisting of board members, administrative staff, and members of the community to discuss short and long term needs of each building.	First meeting: Feb. 11, 2012 Second meeting: Feb. 25, 2012
2	Create a maintenance plan to systematically address non Plan Con projects noted in the list of short term needs.	In progress with team.
3	Work with a certified professional as required by PDE to update the MFP to address the educational needs of the district.	In progress with WTW Architects.

Note: *"Contracted Firm" shall mean: certified professional as required by the Pennsylvania Department of Education (PDE)*
