COURSE DESCRIPTION

Course Title: Civics
Course Number: 00104
Course Prerequisites: NA

Course Description: This class is designed to introduce the eighth-grade students to the political processes of the United States. Civics will provide the students with the evolution of those processes and the basic organization of our government. The students will understand the roles of local, state, and federal government in citizens' lives. A deeper knowledge of the Constitution as the foundation of the United States' government and the Bill of Rights as our basic freedoms will be explored. There will also be exploration of topics such as the importance of laws, civil rights and our court system. This course introduces our students to the importance of being engaged in good citizenship through service projects and the political process. The course will end with an introduction to our economic system. District marking period assessments are required.
