To Whom It May Concern,

I, Melissa J. Willis, of 1889 Cornish Hill Rd, Bear Lake, PA; do request that my daughter - Jessica A. Hopkins continue to attend Eisenhower High School; my son - Timothy M. Willis continue to attend Sugar Shove Elementary School. Also my niece - Daymaria L. Caldwell-Hopkins is under mine - my husband's care (we have a court order if you need it). We would like her to attend Sugar Shove Elementary School also.

The Reasons being as follows:

- Jessica is in 9th grade, is a National Honor student, is also an All American Scholar. She likes the teachers.
- Timothy is in 2nd grade and is doing very well. He also likes his teacher aides.
- Daymaria is a good student and she also gets along with her teachers + aides.

Where we live they should go to Cory schools but Erie County School District is further behind than Warren County is and we think it would hurt them to send them there now.

We want them to get the best education possible and right now we believe they will get that in the schools they are in now.

My husband and I would greatly appreciate you working with us and allowing our children to remain in the Warren County

School System.

Thank you for your patience & cooperation in dealing with this matter. We very much appreciate you working with us. My kids & niece thank you also.

Sincerely,
Larry & Melissa Wilts
