PLANNED INSTRUCTION

COURSE DESCRIPTION

Course Title: Accounting II

Course Number: 0512

Course Prerequisites: Accounting I

Course Description: (Include “no final exam” or “final exam required”)

Accounting II expands on the basic concepts presented in Accounting I and adds new topics including corporate accounting and computerized accounting problems. Accounting II helps qualify students for jobs and careers at higher levels than one year of study would allow. Research shows that students are more successful in college with two years of accounting than without that background.

NOCTI is the final exam for a Business completer.
