

YEMS SWPBIS

Board of Directors Update
March 2015

What we've accomplished

- Addressed immediate concerns:
 - Dismissal procedure
 - Hallway traffic flow (right side & picking students up from lunch)
 - Voice levels
- Developed our motto (SOAR)
- Created behavioral matrix (Student and Staff)
- Implemented the behavior management pyramid and minor behavior infraction form
- Rough draft for lessons & acknowledgement system

What we still need to do

- Create behavioral lessons from matrix
 - Develop acknowledgement system
 - Refine data collection system (SWIS)
 - Plan for SWPBIS rollout to students
-
- All of these steps are for Tier 1. Over the next 3-5 years we will revisit and revise as well as implement Tiers 2 & 3

Beginning of 2015-16 School Year

● YEMS plans to:

- Unveil the PBIS system to students with a celebration
- Begin explicitly teaching expectations using our developed lessons
- Reinforcing those expectations using our acknowledgement system
 - Utilizing data, we will begin in the areas with the most office discipline referrals (ODRs)
 - As ODRs decrease, we will continue to expand our acknowledgement system to other areas
 - Provide incentives to students through PBIS
