CANON REFURBISHED MACHINE PROGRAM

HIGH-END REFURBISHED CANON MACHINES AT LOW PRICES

EVERY CANON REFURBISHED imageRUNNER GETS:

- ▶ Replacement of major parts at predetermined intervals including developers, drums and fixing films
- ▶ Thorough cleaning internally and externally
- ▶ White glove packing and shipping directly to dealerships nationwide
- ▶ Modifications installed. Firmware updated to newest versions
- ▶ Ensure minimum accessories are installed including print, feeder and finisher
- ▶ 26-point quality control inspection check

THE CFS REFURBISHMENT PROCESS

* Up to 3 year lease financing is available from Canon Financial Services, Inc. ("CFS"), a wholly owned subsidiary of Canon U.S.A., Inc.
 * Lease transactions are subject to credit approval and acceptance of all required documentation by CFS.
 * Equipment service plans and genuine Canon consumables available through your Canon Authorized Dealer.
