

## **2017-18 Carl D. Perkins Secondary Local Plan Grant Summary**

Grant Overview: The intent of the Perkins Grant is to develop the academic, career and technical skills of secondary education students. It supports efforts to: develop challenging academic and technical standards and activities designed to help students meet them; preparation efforts for high skill, high wage, and/or high demand occupations; efforts to integrate academic rigor into career and technical instruction; programs that link postsecondary education to career and technical education students; professional development; and partnerships between local workforce investment boards, secondary schools, AVTS, business and industry, etc.

The Warren County Career Center received a Perkins award in 2016-17 of \$80,235. The grant was used for salaries, contracted services, professional services, field trips, conference and training for staff, supplies and equipment. The allocation for 2017-18 is \$77,038.

The administration will prepare a similar application for 2017-18.

Amount of Award: \$77,038

Due Date/Notification of Award: August 31, 2017. Notification approximately August 31, 2017.

Alternatives if not Awarded: The grant will be awarded upon submission of a qualifying application.

WCSD Resources Required: None.

Administrative Recommendation: That the Board of School Directors instructs the administration to submit a Perkins Secondary Local Plan Grant application to support academic, career, and technical programming at the Warren County Career Center in the 2017-18 school year.
