Between

Pennsylvania College of Technology

And

Warren County School District

PENN COLLEGE NOW CONCURRENT ENROLLMENT PARTNERSHIP

The Penn College NOW program enables qualified secondary students to enroll in Pennsylvania College of Technology courses at their secondary school or career and technology center (CTC) during the regular school day. Penn College NOW students earn secondary credit and transcribed college credit concurrently. Qualified, approved secondary teachers work with Penn College NOW faculty liaisons to deliver courses to qualified students. Penn College NOW courses are tuition-free to the student.

The following statements are mutually agreed upon as conditions of partnership by the administration of Warren County School District and the President of Pennsylvania College of Technology on behalf of the Penn College NOW program:

STATEMENTS OF ACCESSIBILITY

- Penn College NOW courses must be offered at no tuition cost to students (*Procedure PR4.48.X.A*). If Warren County School District requires that participating students pay for their own books/materials, Warren County School District will determine criteria for "financial assistance" (such as student participation in free or reduced lunch programming or other known financial hardship). If a student meets these criteria, Warren County School District will provide these materials to the student at reduced or no cost (*Procedure PR4.48.VIII.G*). **No student may be denied enrollment in Penn College NOW courses due to lack of financial resources.**
- Students with documented educational needs should be provided with reasonable accommodations during placement testing and course participation. *In providing academic accommodations, Warren County School District and Pennsylvania College of Technology are not required to lower or make substantial modifications to essential course requirements and do not have to make modifications that would fundamentally alter the nature of service, program, or activity, or would result in undue financial or administrative burdens (Procedure PR4.48.VI.C).*
- The Warren County School District will absorb reasonable costs (such as for a substitute, transportation, etc.) to ensure that all participating Penn College NOW students visit Pennsylvania College of Technology's campus one time per school year. Warren County School District will work with Penn College NOW staff and faculty liaisons to plan a mutually agreeable date and agenda for visits.

PROGRAM ADMINISTRATION

- Pennsylvania College of Technology will determine and approve the list of Penn College NOW courses offered to secondary partners (*Procedure PR4.48.III.A*).
- Warren County School District will identify appropriate Penn College NOW courses for which there is a potentially qualified teacher available, adequate equipment, laboratory/classroom space, and student interest (*Procedure PR4.48.III.B*) at the secondary site.
- Warren County School District will identify a point of contact (POC), who will manage all administrative processes and procedures at the partner site, and communicate with parents and students on behalf of the Penn College NOW program (*Procedure PR4.48.II.A*). It is not appropriate for a Penn College NOW secondary teacher to act as POC.
 - Student and parent communication regarding Penn College NOW courses will be handled exclusively through the POC except in instances of student academic dishonesty, where Pennsylvania College of Technology's Academic Dishonesty Policy and Procedure will be followed (*Procedure PR4.48.II.A*).
 - The Warren County School District POC will attend two (2) Partners' Meetings per year and provide relevant parties at the partner site (including students, parents, secondary teachers and administration) with information about the Penn College NOW enrollment process, procedural changes, course additions, etc.
- The Warren County School District POC will communicate course/teacher additions/deletions to Penn College NOW staff according to deadlines for the current school year.
- Penn College NOW staff will provide the POC with application and course enrollment materials and coordinate with him/her to establish application and enrollment timelines.
- Penn College NOW staff will provide new partners and/or new POCs for current partners with a New Partners' Workshop to facilitate transition into the program.
- Pennsylvania College of Technology and Penn College NOW staff will make every effort to participate in parent/guardian/student events at the request of the Warren County School District POC.
- College representatives (i.e. faculty liaisons, admissions counselors or other College Transitions staff) will visit the secondary institutions on a regular, advertised schedule and will directly communicate other Penn College opportunities to students and parents (*Procedure PR4.48.II.B*).
 - The faculty liaison will visit the secondary institution classroom (in person or virtually) at least once each year to assess adherence to Penn College standards. A report of the visit will be provided to College Transitions (*Procedure PR4.48.IV.E*).
- Warren County School District will include the exact Warren County School District, course number, and course description from the Pennsylvania College of Technology catalog in

scheduling materials and will clearly state that the course is a Pennsylvania College of Technology course (*Procedure PR4.48.III.D*).

- Warren County School District will include a link to the Penn College NOW homepage on the school/CTC website.
- Where general education courses are offered (i.e. English, mathematics, social sciences, physical sciences), Warren County School District must also offer an equal or greater number of technical or program-specific courses.

QUALITY ASSURANCE

- Pennsylvania College of Technology will maintain high quality standards, providing a nationally accredited concurrent enrollment program that meets the guidelines established by the National Alliance of Concurrent Enrollment Partnerships (NACEP) (*Policy P4.48.F*).
- Pennsylvania College of Technology will provide secondary partners with a program manager to facilitate the Penn College NOW program.
- As part of the national accreditation process, Warren County School District will facilitate the completion of online evaluation surveys for various educators, points of contact, current Penn College NOW students, and graduates (*Procedure PR4.48.IV.D*).
- To ensure that Penn College NOW courses mirror Penn College courses in scope and objectives, The Warren County School District will provide College faculty liaisons and/or Penn College NOW staff with reasonable access to the Penn College now secondary teacher and classroom at least once per year.

SECONDARY TEACHER QUALIFICATION

- Penn College faculty liaisons and academic school deans will assess/approve all potential Penn College NOW secondary teachers for program eligibility using the same criteria as those used for on-campus adjunct faculty for that department (*Procedure PR4.48.V.A*).
- Warren County School District will submit updated resumes, official or unofficial postsecondary transcripts and current certifications (including teaching and/or industry credentials) for potential Penn College NOW secondary teachers.

First-year teachers, or veteran teachers in their first year at a partner site, are not eligible to teach with Penn College NOW.

- The Warren County School District will provide Penn College faculty liaisons and Penn College NOW staff with reasonable access to the secondary teacher to permit observation as part of the assessment process.
- Penn College NOW staff will communicate assessment results to the secondary partner.
- If a Penn College NOW secondary teacher is not meeting Penn College standards, eligibility may be rescinded after reasonable effort is made to correct deficiencies

(Procedure PR4.48.III.C); see "INACTIVE STATUS" for additional information.

- In the event that a secondary teacher must leave his/her position for three weeks or more, Warren County School District POC will immediately inform Penn College NOW staff to determine a course of action.
- The Warren County School District POC will notify the Penn College NOW office immediately when an approved instructor is otherwise anticipated to vacate his/her Penn College NOW duties.

Please note: A new or replacement teacher is **not** automatically eligible to teach with Penn College NOW. All potential teachers undergo the same assessment process, and approval is not guaranteed.

SECONDARY TEACHER PROFESSIONAL DEVELOPMENT

- Penn College NOW staff will provide required discipline-specific, yearly professional development (on several dates and with deference to statewide testing and common secondary events) to Penn College NOW secondary teachers (*Procedure PR4.48.IV.F*).
 - Yearly professional development is a requirement for all secondary teachers and all Penn College NOW courses.
- The Warren County School District will absorb reasonable costs (such as for a substitute, mileage reimbursement, travel accommodations) to ensure that Penn College NOW secondary teachers attend one day per academic year of required professional development in their specific discipline.
- If, after unsuccessful attempts to accommodate attendance, the secondary teacher has not attended professional development, the teacher will be ineligible to teach the Penn College NOW course for one school year (*see also "INACTIVE STATUS"*). Requalification occurs when the teacher attends professional development as required for the following year.

CONSISTENCY AND QUALITY OF COURSEWORK

- Pennsylvania College of Technology will provide a faculty liaison for the secondary teacher, who will work with him/her to ensure that the secondary Penn College NOW course is the same as the Penn College course in scope, objectives, materials, and activities (*Procedure PR4.48.IV.A*).
 - Either through informal meetings or planned professional development activities, the faculty liaison will share course approaches, philosophy, and copies of materials (including laboratory exercises, assessments, and grading standards) with the Penn College NOW secondary instructor (*Procedure PR4.48.IV.C*).
- The faculty liaison will assess secondary teacher/student access to specialized materials, equipment, and/or facilities needed to offer the Penn College NOW course and may approve/deny based on availability of requirements (*Procedure PR4.48.IV.B*).

- The secondary teacher will work with the faculty liaison to develop a course calendar (which reflects at least the minimum number of Penn College course hours and Warren County School District's instructional calendar) and a syllabus (which reflects the same scope, objectives, materials, and activities as the Penn College course; *Procedure PR4.48.III.C, PR4.48.IV.B*).
- If Warren County School District has a weighted GPA system, Warren County School District will assign weights comparable to honors/ advanced/Advanced Placement for Penn College NOW courses (*Procedure PR4.48.III.D*).
- The Warren County School District will follow Penn College's procedures for grading and reporting Penn College NOW grades. Secondary teachers may be required to use the College's course management system (such as PLATO) at the discretion of the faculty liaison; failure to do so can result in the course and/or teacher being withdrawn from the Penn College NOW program.
- The faculty liaison will create and grade the final exam for the course, with the option to jointly grade other key assignments at liaison's discretion. The Penn College NOW course grade will be computed using the same formula as the on-campus sections of the course. A student's Pennsylvania College of Technology transcript grade (Penn College NOW grade) may be different than the grade on the secondary transcript (*Procedure PR4.48.IV.D*).
 - The secondary teacher may supplement Penn College NOW course content with additional graded materials, which only count as part of the secondary grade; only Penn College NOW materials comprise the Penn College transcribed grade.

 - *Please note:* The practice of awarding college credit for secondary courses is not consistent with the program's national accreditation standards.
- Penn College NOW staff will provide the Warren County School District POC with a listing of ISBN numbers of required textbooks for approved courses, but Warren County School District will assume responsibility for ordering and handling payment for required textbooks and instructional supplies (*Procedure PR4.48.VIII.F*).
- Students must follow established procedures for dropping or withdrawing from a Penn College NOW class.  - Mathematics and English testing requirements are defined by the official course description in the online College Catalog and are provided to the Warren County School District POC (*Procedure PR4.48.VII.A*).
 - Accommodations for placement testing are provided based on a verbal history of testing accommodations as identified in a valid IEP or 504 plan, which do not challenge the academic integrity of the placement exam (*Procedure PR4.48.VI.D*). TERMINATION OF PARTNERSHIP

Per Pennsylvania College of Technology procedure, both parties must sign this memorandum of understanding prior to offering a Penn College NOW course at the secondary institution (*Procedure PR4.48.A*).

- A Penn College NOW partner may initiate termination of partnership at any time by submitting written notification to the Manager of College Transitions.

 - Appropriate notifications to the students and/or their parents that education records are being shared in compliance with 34 C.F.R. § 99.34; and
 - Penn College and Warren County School District are not disclosing any education records it receives from each other to a third party without complying with 34 C.F.R. § 99.33.

PAYMENT

- *For new partners:* Warren County School District agrees to pay the Intent to Offer fee of \$200 as a condition of initial partnership on or before July 1 of the calendar year prior to offering a course.
