

Supplemental Equipment Grant Summary

Grant Overview: The purpose of the 2019-20 Career and Technical Education Supplemental Equipment Grant program is to purchase equipment that meets industry standards. Funds must be used to purchase equipment that: (a) supports student training in approved career and technical education programs; (b) meets industry standards; (c) is recommended by the program's Occupational Advisory Committee; and (d) is in alignment with an approved Program of Study.

The WCCC is requesting a 12,000 lb. automotive lift for use in the Automotive Mechanic Technician Program of Study and is working to identify other eligible equipment for funding if additional monies are available in the award.

Amount of Award: Unknown at this time. PDE will inform districts of amounts once they know how many CTC's are interested in applying.

Due Date/Notification of Award: Applications are due on January 30, 2020. Notification will likely be in February 2020.

Alternatives if not Awarded: None.

WCSD Resources Required: None.

Administrative Recommendation: That the Board of School Directors instructs the administration to assist the staff of the Warren County Career Center in applying for funding for a 12,000 lb. automotive lift and other eligible equipment via the Supplemental Equipment Grant offered by the Pennsylvania Department of Education.
