#### **COURSE DESCRIPTION**

**Course Title:** Spanish 1

**Course Number:** 00431

**Course Prerequisites:** None

**Course Description:** Spanish I is a beginning course that starts to build language proficiency by linking the target language to its speakers from diverse backgrounds and from many different Spanish-speaking cultures with the goal of moving from Novice-Low to Novice-Mid. Students develop a rich cultural understanding because language and culture are taught simultaneously with acquisition as the goal. Students receive consistent and constant exposure to input from units that are broken down into three phases (Phase 1 – establish meaning, Phase 2 – acquisition through narratives, Phase 3 – content-based connections) Students are strategically introduced to new words, phrases, and grammatical structures to create a multitude of communicative opportunities that prepare students to use the target language in the real world. Assessment rubrics are aligned with ACTFL Performance Descriptors based on ACTFL Proficiency Guidelines. A final exam is required in which all four modalities of the target language are assessed.
