D. Programs - NAA Student Responses

<i>Suggestions</i>	<i># of Times</i>
Charge a “pay-to-play” fee fro all extracurricular activities, not solely sports, this would include marching band, drama club, language club, etc. Hardship cases, which would occur, would be handled by the Boosters Clubs.	
Instead of the district giving sports a large sum of money in the pre season, have it be the sports responsibility to fundraise for whatever they need.	
Charge more for playing sports	7
Tutoring should be longer	2
Football back in school instead of downtown	11
Hold activities right after school	8

E. Other - NAA Student Responses

<i>Suggestions</i>	<i># of Times</i>
Get better fuel and cost efficient heating. One that actually works.	
What about the clubs, people don’t care as much but, if it wasn’t for us they wouldn’t have coverage in the school sports.	
Take a look at the administration pay. Teachers are not paid enough. Main office personal gets paid too much.	
Make sure nobody is using portable electric heaters. (very in-efficient)	
Look into grants	
Cut the Board of Directors paycheck and /or cut the unnecessary amount of people on the school board to save out money. Turn off lights and computers at night.	
Stop building “Super Schools”	
Central office move to a building we already own.	
Sell more items for less money	9
Hold fundraisers to earn money	13
Don’t spend tax dollars needlessly	15
Less copying of papers	16
