Assumptions / Conditions

- 1.) **Central Office:**
- 2.) **Sites:**
- 3.) **Number of POS lines:**
- 4.) **Input Devices:**
- 5.) **District is responsible for Equipment Wiring. SL-Tech POS terminals support Cat1, Cat3, Cat5. Before wiring for SL-Tech setup, consult an SL-Tech Technician.**
- 6.) **District is responsible for Computer equipment.**
- 7.) **Training: SL-Tech personnel usually stay On-Site for the first installation of Central Office and 1 to 2 sites. District personnel take over and install/train the following sites. This saves the District a sizable expense. SL-Tech is able to schedule for more On-Site days and continue to install/train sites for the District. SL-Tech recommends that a Follow-Up visit is scheduled within six months to make sure all is going well. When scheduling training, allow 4-6 week lead time.**
