Mr. Brian Collopy  
Warren County School District  
185 Hospital Drive  
North Warren, PA 16365

Dear Mr. Collopy:

I understand the school district is switching cell phone providers and the discarded cells may be donated. We would appreciate your consideration for the contribution of the phones being made to AMVETS (American Veterans) in Sugar Grove, PA.

We maintain a continual collection box for cell phones which are in turn refurbished and given to military personnel.

Any consideration for the contribution to our American service personnel is greatly appreciate. Please let me know.

Yours in Service
