

## Informational Summary

Topic: eRate

Committee Date: February 27, 2012

### **Summary**

E-Rate is a program administered by the Universal Service Administrative Company under the direction of the Federal Communications Commission. It provides assistance to schools and libraries to obtain affordable telecommunications services and Internet access.

The district has sent specifications for competitive proposals for the following services through the E-Rate program. The following services will continue on a month to month basis for all sites and employees.

Cellular Telephony & Data Services

Local/Long Distance Telephony Services \*

( \*- with the exception of local and long distance telephony for Beaty Warren Middle School.)
