

## Informational Summary

Topic: eRate Information

Committee Date: February 24, 2014

### **Summary**

E-Rate is a program administered by the Universal Service Administrative Company under the direction of the Federal Communications Commission. It provides assistance to schools and libraries to obtain affordable telecommunications services and Internet access.

The district has sent specifications for competitive proposals for the following services through the E-Rate program.

Cellular Telephony & Data Services

Local/Long Distance Telephony Services

Web Hosting & Student Email Services

Additional Internet Bandwidth
