

Executive Summary

Topic: AppSense Environment Manager Software License Renewal

Meeting Date: October 27, 2014

Summary

A maintenance contract and licensing renewal is due for AppSense Environmental Manager. AppSense Environmental Manager is infrastructure software that allows the Technology Department to make changes to a centralized platform that manage software deployments, user personalization, computer policies effecting each user's session and overall experience. This software is used in conjunction with Microsoft and Citrix's platform of server technologies to deliver the applications, printers, files and access necessary for district operation.

The funding for this renewal is budgeted under the Technology maintenance account.

Recommended Motion

That the Board of School Directors approves the quote for AppSense Environment Manager for the term of one year at the amount of \$28,140.00.
