

Value Pass

PSBA's Value Pass is one of the best values in professional development you will find anywhere.

For a flat fee of \$999, school entities can purchase the Value Pass and send as many individuals in that entity to as many programs — live or online — as they like.

The Value Pass is good for one year — July 1, 2014, through June 30, 2015.

All of the courses listed in the course catalog are covered by Value Pass, except customized workshops and multiday conferences, including:

- PASA-PSBA School Leadership Conference
- Student Delegate Program
- School Solicitors Symposium
- School Law Workshop

If a participant attends a live in-classroom event and a meal is served, the Value Pass member will be charged for the meal.

Also, new this year is the IU/CTC Value Pass. For \$299, the IU or CTC's Executive Director and two other designated administrators can take part in all training that the Board Value Pass covers.

To purchase Value Pass for your school entity, contact one of the following members of the Education and Training department and we will arrange for PSBA to invoice you.
