

FOOD SERVICE REPORT JAN 20 21

JANUARY IS School Board Recognition Month

And the perfect time to focus on the crucial role you play in our schools and our communities. You are extraordinary because of the countless volunteer hours you devote each year to tackle the job of governing our school districts, this year more so than any other.

As your food service provider, we applaud you for the time and dedication you devote to assure that the children in your community are receiving the best possible education.

We appreciate you and thank you for the opportunity to serve your district!

FRESH, NUTRITIOUS, & INNOVATIVE

WARREN COUNTY SCHOOL DISTRICT

Calvin the Calf makes nutritious versions of your favorite foods!

A resolution that typically tops many people's list in the New Year is to make positive changes to their dietary habits. In keeping with this theme, Corporate Dietitian Lynn Cesarini teamed up with Chef Guy and our very own Calvin the Calf to create a fun recipe video which shows students how to make nutritious versions of their favorite foods.

Watch Now!

Scan this code with your smartphone's camera to learn how to make funny face pizzas with Calvin and friends!

While we can't wait to be back in classrooms delivering in-person nutrition education classes and interacting with students, we're committed to promoting healthy solutions in new, innovative ways!

Our 2021 TNG Calendar is here!

Our annual yearly at-a-glance calendar is available for digital download or a printed copy. Didn't receive? No worries, just reach out to your Food Service Director and we'll have one sent straight to your email inbox or mailed to your office!

Take-Home Just Got Better!

On November's Food Service Report, we discussed how TNG leverages technology to ensure quality foods. Our chefs created a series of instructional videos designed for kitchen staff which ensures consistent, quality food in appearance and taste.

This month we're pleased to introduce a new set of virtual resources for students and parents. Five new videos are available that feature reheating and storage instructions for take home meals along with tips to enjoy casseroles, pizza items, breaded chicken meals, hamburgers, and vegetables. Bon Appétit!

Scan the QR Code to watch the reheating instructions video for each of these!

WELCOME BACK

Staff and Students are so happy to be back in school starting January 26th. Nothing creates more happy smiles than the awesome Cafeteria Pizza and Spicy Chicken Patty Sandwiches.
