RE: Special Education Services Rate

Dear Mrs. Stewart:

Please know that we value our relationship with the School District and look forward to continuing to serve the School District throughout the 2023-2024 school year. We appreciate the public services that you, the Board of School Directors, and all employees of the School District provide, and, as such, we have traditionally charged the School District a deeply discounted rate for legal services. We are pleased to be able to continue to offer the School District deeply discounted rates for the 2023-2024 school year. Starting on July 1, 2023, our rate for special education services will be increased by 2% to \$220 an hour.

This reflects a \$5.00 increase in our hourly fee, and represents a significant discount from our standard private sector rates. Thank you for allowing us to continue to serve our community with you.

Should you have any concerns, please do not hesitate to contact me. Thank you very much!

Very truly yours,

KNOX McLAUGHLIN GORNALL &
SENNETT, P.C.
