

Grant Detail Report 2024-25

Report Date 2/20/2025

Grant

WIOA-TANF Youth Internship Program, 2024-25

Funder

WIA-TANF (PA CareerLink)

DueDate: 05/02/24

AmountReceived: \$22,764.00

Grant Overview

The WIOA TANF Youth Internship Program provides students ages 16-24 years old currently enrolled in a wide variety of educational institutions, from high school to graduate level, with opportunities to work in agencies and explore different careers while still in school and while getting paid for the work performed.

The internship program is sponsored by the NW PA Title 1 TANF program to provide this service for businesses and organizations throughout the region including Clarion, Crawford, Erie, Warren, Forest, Venango.

Internships must be completed by 9/30/2025 and must last between 6 and 9 weeks. Interns may work a total of 360 hrs. maximum, between 15 and 40 hours per week. Interns may work either part- or full-time.

Grant

Carl D. Perkins Secondary Local Plan

Funder

Pennsylvania Department of Education

DueDate: 07/30/24

AmountReceived: \$91,488.00

Grant Overview

The intent of the Perkins Grant is to develop the academic, career and technical skills of secondary education students. It supports efforts to: develop challenging academic and technical standards and activities designed to help students meet them; preparation efforts for high skill, high wage, and/or high demand occupations; efforts to integrate academic rigor into career and technical instruction; programs that link postsecondary education to career and technical education students; professional development; and partnerships between local workforce investment boards, secondary schools, AVTS, business and industry, etc.

The Warren County Career Center proposes using the grant for salaries/benefits, contracted services, field trips, and recommended equipment/supplies for programs of study.

Funder

Pennsylvania Department of Education

DueDate: 06/30/2024

AmountReceived: \$1,576,666.00

Grant Overview

The Title I, Part A grant provides educational support to eligible students in the Warren County School District for SY 2024-25.

Grant

Title II, Part A - Supporting Effective Instruction, 2024-25

Funder

Pennsylvania Department of Education

DueDate: 06/30/2024

AmountReceived: \$174,007.00

Grant Overview

The Title II, grant provides a variety of professional development activities for WCSD staff during the 2023-24 school year.

Grant

Title IV, Part A - Student Support and Academic Enrichment, 2024-25

Funder

Pennsylvania Department of Education

DueDate: 06/30/2024

AmountReceived: \$121,537.00

Grant Overview

The Title IV, Part A grant will provide activities to support well rounded educational opportunities, safe and healthy students, and effective use of technology for the 2024-25 school year.

Grant

Merlyn Origin Grant

Funder

Pennsylvania Department of Education

DueDate: 09/30/24

AmountReceived: \$0.00

Grant Overview

This is a grant of material, professional development, and support for the Merlyn Origin artificial intelligence (AI) system. Merlyn Origin provides teachers in the classroom with voice and remote control of their computer and front-of-class display.

The purpose of the grant is to:

1. Demonstrate the efficacy of Merlyn Origin for teachers across Pennsylvania from a variety of perspectives.
2. Identify and quantify differences among subject areas and grades.
3. Measure how the intervention affects classroom instruction from several different perspectives.

The WCSD will receive up to 100 Merlyn Origin control units, USB dongles, and licenses. In return, WCSD teachers will provide usage data, teacher surveys, and be available for visitation by the donor.

Grant

2024-26 School Mental Health Safety and Security Grant (WCSD)

Funder

Pennsylvania Commission on Crime & Delinquency (PCCD)

DueDate: 09/26/24

AmountReceived: \$177,380.00

Grant Overview

The School Safety & Mental Health Grants provide non-competitive grant funds to school entities to address school safety needs. Schools will use the School Safety and Security (SSSC) Baseline Criteria Standards to determine their level of need and identify areas for further improvement.

Level 1 criteria must be satisfied prior to school entities utilizing these funds for other Eligible Program Activities and Expenses within each respective physical security or mental health sections.

The administration is currently reviewing its needs against the SSSC Baseline Criteria Standards to determine what physical safety and mental health safety needs remain unaddressed and qualify for funding.

Grant

2024-26 School Mental Health Safety and Security Grant (WCCC)

Funder

Pennsylvania Commission on Crime & Delinquency (PCCD)

DueDate: 09/26/24

AmountReceived:

Grant Overview

The School Safety & Mental Health Grants provide non-competitive grant funds to school entities to address school safety needs. Schools will use the School Safety and Security (SSSC) Baseline Criteria Standards to determine their level of need and identify areas for further improvement.

Level 1 criteria must be satisfied prior to school entities utilizing these funds for other Eligible Program Activities and Expenses within each respective physical security or mental health sections.

Grant

Success for PA Early Learners (SPEL), Year 2

Funder

Pennsylvania Training and Technical Assistance Network (PaTTAN)

DueDate:

AmountReceived: \$10,000.00

Grant Overview

Success for PA Early Learners (SPEL) is a federal grant designed to improve school and family engagement, literacy skills, and continuity of transitions among educational systems for economically disadvantaged early learners at risk for, or identified with, a delay or disability through a Comprehensive System of Personnel Development.

This is a Year 2 of a three year, \$30,000 grant awarding \$10,000 per year. Grant services will be for students at Warren Area Elementary Center (WAEC).

Grant

Nita M. Lowey 21st Century Community Learning Centers Grant, Cohort 12A

Funder

Pennsylvania Department of Education

DueDate: 11/30/23

AmountReceived: \$458,640.00

Grant Overview

The Nita M. Lowey 21CCLC Cohort 12A grant provides funding for afterschool activities and enrichment. The grant award was offered to the district as the next highest-scoring Cohort 12 applicant from SY 2023-24. The district applied to Cohort 12 and was declined funding.

The Warren County School District (WCSD) adjusted its Cohort 12 application to request \$458,640.00 per year for the five-year lifetime of the cohort to serve approximately 180 students in grades K-5 during the school year and summer. The program will be held at 4 sites and will focus on homework assistance/tutoring, math and reading remediation/enrichment, STEAM, Environmental Literacy, Cooking, Social-Emotional Learning (SEL), and Career Exploration/Readiness. Summer programming will take place at Beaty Warren Middle School.

As with previous cohorts, slots will be available for students at St. Joseph School. Tidoute Community Charter School has opted out of participating in Cohort 12A.
