RE: Marching Bands at the Harrisburg Parade

DATE: November 1, 2006

On Saturday, September 30, the marching bands from each of our four secondary schools performed as one massed marching band in the Pennsylvania Treasures Parade. The parade opened the activities for the Pennsylvania Capital Centennial Celebration in Harrisburg.

Our student-musicians were absolutely outstanding ambassadors for our schools and communities. They performed wonderfully and everywhere we went they were complimented on their behavior and attitude. Our marching band staffs were most helpful and their diligence and dedication to their students was certainly evident. Our young musicians did indeed present themselves as some of Pennsylvania's finest Treasures.
