RE: WCSD Tip-off Basketball Tournament

DATE: December 10, 2007

The Warren County School District held the third annual Girls' Basketball Tip-off Tournament and fourth annual Boys' Basketball Tip-off Tournament at Warren Area High School on Friday, November 30 and Saturday, December 1, 2007.

- The Girls' Champion was the Warren Area High School Lady Dragons
The Runner-up was the Eisenhower High School Lady Knights
- The Boys' Champion was the Warren Area High School Dragons
The Runner-up was the Eisenhower High School Knights
- Players from all eight teams represented their schools very well.
- General comments from our schools appeared to be quite favorable
- Warren Area High School served as an outstanding site and host for the event.
 - WAHS is centrally located
 - WAHS has multiple locker rooms
 - WAHS has the largest seating capacity of our high schools
 - The short trip for Eisenhower, Sheffield and Youngsville High Schools produces some of the most manageable transportation expenses of the season.
- We will not likely rotate the event to other venues for all of the above reasons.
- Each Booster club from visiting schools was given the opportunity to manage a 50-50 drawing during their team's game as a fundraiser.
- The gate receipts for the tournament were \$1949.

Thank you.
