

# WCSD Pre-Season Athletic Facilities Report

Spring 08-09

1/15/2009

BWMS	Track - Beaty Field	3
	Track - WMF	4
EMHS	Track	3
	Softball - Var	6
	Softball - JV	6
	Baseball	7
SAMHS	Track	5
	Softball	6
Grass Fields & Practice Areas		1

WAHS	Track - WMF	4
	Softball - Var	8
	Softball - JV	8
	Baseball - Var	9
	Baseball - JV	8
	Tennis	10
YHS	Track	3
	Softball	6
	Baseball	11
War Memorial Field		2

- 1 Most grass fields have been aerated and seeded at the end of the fall season. We will need to inspect them when the snow comes off to evaluate their condition. Work may be needed in the early spring to supplement action already taken.
- 2 The turf and related football/soccer facilities at War Memorial Field are in excellent condition.
- 3 The crushed limestone tracks at BWMS, EMHS & YHS are in poor condition. In each case, the original 6 lanes are no longer useable. They do not present a competitive surface. They need roto-tilled and the grass needs to be removed. Additional material needs to be applied and they need rolled.
- 4 A rehabilitation of the WMF track is being planned. It is not know at the present time when the project will get underway. In the interim, areas of the track that have deteoriated need to be repaired. The screen around the discus cage needs to be repaired or replaced. The screen along Lexington Ave & S. Carver St. needs to be replaced.
- 5 The Track project at SHS is nearly complete. Throwing pads must be poured. SHS will host their first home track meet since perhaps 1998.
- 6 Each of our softball infields need roto-tilled, grass removed and rolled and dragged. Fencing needs repaired and painted. Grass needs trimmed along fencing. The homerun fence in right field at SHS needs to be removed.
- 7 The baseball field at Werner Park will need, roto-tilled, weeds/grass removed, rolled and dragged. The field is difficult to work in the spring. Late snow cover and wet conditions will likely exist.
- 8 Fields at the Farm Colony Complex were in good condition at the close of the summer/fall season. Minor field prep will likely be required.
- 9 Old Legion Baseball Field was in good condition at the close of the summer/fall season. Minor field prep will likely be required.
- 10 Betts Tennis Courts have been rebuilt. They are in excellent condition.
- 11 The Davis Street Baseball Field was renovated last spring. The WCSD provided materials and service. Minor field prep will likely be required. The homerun fence will need to be reinstalled.
