RE: Certified Athletic Trainer Agreements

DATE: April 9, 2009

Warren General Hospital has elected to not renew our current Athletic Trainer Agreement. They have proposed a revised agreement, a copy of which is attached. We have been asked to provide details of employing the Certified Athletic Trainers (ATCs) as Act 93 Non-Certificated Employees of the WCSD. A job description and cost analysis of that scenario is attached. It was also suggested that we contact Kelly Services and inquire as to their ability to provide ATC services. Once again, that information is attached.

Please consider forwarding one of the following proposals to the Finance Committee.

- Proposal A That the Board of School Directors creates two positions as full time Certified Athletic Trainer as described in the attached documents.
- Proposal B That the Board of School Directors creates two positions as part time Certified Athletic Trainer as described in the attached documents.
- Proposal C That the Board of School Directors approves the proposed Athletic Trainer Agreement as submitted by Warren General Hospital.
- Proposal D That the Board of School Directors accepts the proposal by Kelly Services to provide Certified Athletic Trainer service.
