Jack:

As a follow up to our telephone conversation, I would like to verify the points that we discussed

* The Jock Shop of Warren, PA is not authorized at this time to bid or sell Schutt Institutional products, which include adult football equipment.
They are authorized to sell youth football products

* Demans Team Sports of Brookville, PA has decided not to go forward with Schutt products. They are authorized to sell through their current inventory.

* We hope that Warren County School District will continue to use Schutt products. I have listed below some institutional distributors of Schutt products that would be very willing and able to service your district.

On a separate note, could you let me know when the state releases funds for school districts in Pennsylvania. I am in the process of doing a report for Schutt and need that information. Any help would be appreciated.
