RE: Warren County School District Property Zoning Request

Please be advised that the Warren County School District will approach the Warren County Zoning & Planning Commission to request a change in the zoning of the North Warren Elementary School property from R-2 to Business.

This would seem to be an opportune time to likewise change your property located at 102 South State Street from R-2 to Business.

It is my intent to propose to the Planning and Zoning Commission the aforementioned change at the Commissions June 1, 2005 meeting.

If you would be so kind as to contact my office at 723-6900 ext. 2157 or write to me at 185 Hospital Drive, Warren, PA, and let me know your thoughts before the June 1, 2005 meeting, I would relay your thoughts regarding this matter to the Commission. If you would like to attend this meeting, of course this option is open to you as well.

Thank you in advance for your cooperation.

Sincerely,

Norbert J. Kennerknecht, Ph.D.
