SUBJECT: Purchase of Playcurbs for Sugar Grove Elementary School

The Playground Committee of Sugar Grove Elementary School is submitting a request to the Warren County School District for the purchase of playcurbs to place around our newly installed playground. The old treated wood playground was condemned by the district. A new playground was purchased and installed by the committee, but is still lacking the edging (playcurbs). It has been brought to our attention that the district has purchased similar edging products for the Youngsville Elementary School playground and the new Warren Elementary Center playground. We are asking you to do the same for the children at Sugar Grove Elementary School. Attached is a quote from Game Time, the company from which we purchased the playground equipment. The total cost of the playcurbs would be \$4962.58.

Thank you for your consideration of this matter.

Respectfully,
