Dr. Norbert Kennerknecht
Director of Bldg. and Grounds
Warren County School District
185 Hospital Drive
Warren, PA 16365

Dear Dr. Kennerknecht:

We noticed, after reading the Warren Times Observer, that the Warren County School District did not receive any bids for the purchase of Home Street School. As you know under the Pennsylvania School Code of 1949, section PA7-707, 7.1 a school district can sell and convey real estate to a charitable organization holding exempt status under section 501(c) (3) of the internal revenue code. We do have 501(c) (3) status as a non-profit organization. Our board of directors would appreciate it if you would give us the opportunity to discuss this possibility with the Warren County School District Building and Grounds Committee.

We are totally aware that the Home Street building needs some tender loving care, which we think we can give primarily by our senior and youth volunteer programs. We assure you that, if granted to our organization, we would maintain the building and make it a pleasing addition to the primarily residential area in which it is now located.

Let us know if you care to further discuss this matter.

Very truly,

Peter J. Carnovale
