BUILDING & PRINCIPAL:

Warren Area High School

James A. Miller

Item / Project Requesting	Prioritize	Safe ✓	Warm ✓	Dry ✓	EE ✓	Additional Information / Justification
	1st 2nd 3rd					
1. Repair / replace black panels (outside walls) around school	1		X	X	X	Several panels around school are bowing and ready to fall out. Water is getting behind panels - into school.
2. Patch / plaster ceiling in auditorium	1	X				Plaster continues to fall from ceiling. There are concerns that pieces could fall on people sitting in seats.
3. Paint underside of canopy on bus ramp.	1					Paint is peeling very badly. The canopy is a poor reflection / distraction to the school.
4. Paint lockers throughout the building.	1					Lockers are scratched and marked up and leaves a poor reflection of the school.
5. Gym floor needs to be sanded and refinished.	1	X				Floor is uneven in many places and needs to be sanded level.
6. Install doorway to radio booth.	1	X				Safer access to radio and sound system booth instead of climbing up ladder on side of gym wall - safety.
7. Carpet in guidance office needs to be replaced.	1	X				Wear areas have developed holes. This is a safety concern.
8. Floor in main lobby should be carpeted.	1					First area public sees when entering the building.
9. Boys' locker room from outside of building.	1	X		X		Water continues to run into building. Lifting of floor tile in gym lobby entry.
10. Repair / replace ceramic tile in auditorium lobby.	2					Pieces have become loose and many have been replaced with different colored tile.
11. Replace floor tile on second floor.	2					Tiles that have been replaced are multi-colored. Many are cracked and broken.
12. Replace ceiling on second floor.	2					Metal ceiling material has been taken down in many locations and is bent and cannot be put in properly.
13. New PA system for the building. Clocks need to be tied in.	2					PA does not work at times. The system is old and not reliable. It takes a long time to set all the clocks in building.
14. Replace floor tiles in the cafeteria.	2					Tiles are broken and many need replaced.
