Youngsville High School held their first Custodial Quality Assurance meeting on Wednesday, May 30, 2007. Members present:

Dr. Jaskolka, Principal  
Maryann Mead, Assistant Principal  
Melissa Bullock, Secretary  
Joe Cedrone, Head Custodian  
Melony McKown, Custodian  
James Campbell, Teacher/Department Head  
Dave Reynolds, Teacher/Department Head  
Marty Mahan - Aramark

The purpose of these meetings was read so that everyone had an idea of what should be accomplished. A discussion began with Dr. Jaskolka informing Mr. Mahan that June is not a good month to hold these meetings with all of the end of year activities that principals already have to maintain. The cleanliness of the outside of the building was discussed. It was felt that after maintenance mows, they should sweep the grass off the sidewalks. Parents have commented to the office staff how clean the halls of YHS look when ever they are in the building. Department heads addressed that no complaints from other teachers have been brought to their attention. Mr. Campbell mentioned that the custodial staff is always willing to take on tasks as quickly as possible and always do a fine job.

Mr. Cedrone mentioned that the hand rails need painted. He also stated that he entered a work order to request the stair treads need replaced. Ms. McKown stated that all supplies that are needed are on hand. No other comments from the custodial staff.

Mrs. Bullock informed Aramark that the shampoos need to extract the water better from the carpets. The smell bad after the process and could cause damage to the carpet.

The meeting was adjourned. No other meeting date was set. We discuss this at the beginning of the 07-08 school year.
