August 24, 2010

Girl Scout Troop 30663 would like to paint the steps leading to the track/softball/football field at Sheffield Area Middle Senior High School as a Community Service Project. The steps are currently painted with alternating orange and black. We would like to paint over them with the same color.

Our Troop of 8 Cadette Scouts will start at SAMHS this August. We look forward to serving the school in many ways over our years at Sheffield.

Please feel free to contact me at dmp.kcsenergy@verizon.net or 688-4908.

Sincerely,

Denise M. Pierson
