Pittsfield Woods Nature Center and Arboretum is a public park owned by the Warren County School District, with additional support for community programs and activities approved by the Pittsfield Woods Partnership, a **501c3 registered non-profit charity**. The Nature Center exhibits and trails are open free to the public. Fees for programs and special events help support the nature center as well as memberships and contributions.

All membership contributions go to the Pittsfield Woods Partnership and are **tax deductible** as allowed by law. Funds are used exclusively to support the community programs and activities at Pittsfield Woods Nature Center.

BENEFITS OF JOINING

Four **FREE** programs a year, designated in our quarterly newsletter

Discounts on over 200 community programs a year for children, families and adults

Discounts and advanced registration on five different summer day camps for kids preschool to 8th grade,

Special Grandparent category include all grandchildren

%10 discount in our Eager Beaver gift shop

Receive our quarterly newsletter, *Pinecone News*

FREE admission and/or gift shop discounts at over 140 nature centers across

Most importantly when you become a member you join hundreds of others who share your interest in the value of environmental education, green spaces and outdoor recreation. We believe that in our hectic world we all need places like Pittsfield Woods for our physical, mental and spiritual health.

Our members provide a funding source that helps us support community programs, exhibits and trails. Many of our members are frequent users of our park and ropes course, others simply support our mission.
