**RE: EDU Reduction for 84 McKinley Avenue, Warren**

Dear Attorney Byham:

The Pleasant Township Board of Supervisors received the WCSD request for reduction of EDU's at the 84 McKinley Avenue location. The board of supervisors consulted with the township engineer and based on the information provided by the district, the reduction was granted.

The Warren County School District will be billed for 1 EDU every month provided that the district submit copies of their monthly water bills at 84 McKinley Avenue every quarter. This will go in effect for September 2016.

If you have any further questions or concerns, please contact the township office.

Sincerely,

Lea Ann Adams  
Secretary-Treasurer
