## NOTICE REGARDING RETURN TO UTILITY SERVICE

Dear Valued Customer:

Please accept this letter as notice that National Fuel Resources, Inc. ("NFR") has entered into an Asset Purchase Agreement with Marathon Power LLC d/b/a Marathon Energy ("Marathon") pursuant to which NFR's commercial and industrial customer contracts will be assigned to Marathon, including your contract with NFR. The terms of your service will not change and you do not need to take any action.

Marathon is an established energy services company and has been involved in the energy sector for many years. Marathon has an excellent reputation and we are confident you will be well served by your new provider.

The effective date of the assignment of your contract is approximately the first complete billing cycle on or after August 1, 2020. Several conditions, including an order to be issued by the Federal Energy Regulatory Commission, must be met before the closing of the transaction and the assignment of your contract can occur. If the satisfaction of any such conditions are delayed, there is the possibility the closing of the transaction and the assignment of your contract could occur at a date later than set forth above.

The contact information of your new natural gas commodity provider is:

Marathon Energy  
100 Elwood Davis Road  
Syracuse, NY 13212  
(888) 378-9898
