

Language recommended by the Local Tax Study Commission of the Warren County School District:

As mandated by Act 1 of 2006, the following referendum question is presented for voter approval or disapproval:

Do you favor raising the current school district Earned Income Tax from 0.5% to 0.9%? The revenue generated by the 0.4 % tax increase will be used to reduce school property tax by an estimated \$221 for qualified homestead/farmstead properties.
