RE: Hourly rate of pool time at YMCA

Please allow me to clarify a point regarding the hourly rate charged for the use of the YMCA pool by the Warren Area High School swim team. It has been reported that last year our team used approximately 130.25 hours of pool time and 39 hours of deck time. Deck time refers to times when our student-athletes are in the pool area but on the pool deck and not swimming. In general, we will not be charged for deck time. We will be charged \$70.00 per hour for approximately 130.25 hours of pool time which will include deck time for set-up and take-down for each of a maximum of 7 home swim meets. There will no charge for the 39 hours of deck time accumulated during practice hours.

Thank you.
