Re: North Warren Elementary Playground Equipment.

Gentlemen:

We, the Board of Supervisors of Conewango Township, Warren County, Pennsylvania have agreed, at a public meeting held this date, to accept the playground equipment at the North Warren Elementary School offered to the Township by the North Warren PTO so it may remain in the community.

We are currently working with the state on securing a more desirable piece of land and ask that the equipment be allowed to remain on the school property until such time as the property is sold. This may alleviate the need to move the equipment twice or to store it.

Should you have any questions, or require any additional information, please contact us at (814) 723-6410.

Thank you for your consideration on this topic.

Cordially,

  
Carl Brecht  
Supervisor
