

SES #1 – Finance Committee Studies

April 2005 The Finance Committee charged the Administration with studying the financial and educational impact of closing Sheffield Elementary School (SES) and assigning the East Attendance Area K-5 students to Allegheny Valley elementary School (AVES) in school year 2005-2006. The charge resulted in the May 20, 2005 report “Sheffield Elementary School Closure Report Managing Enrollment Decline in the WCSD”.

February 2006 The Finance Committee charged the Administration with updating parts of the May 2005 report specifically reporting on how staff cost avoidances were calculated, projected floor plan for a combined school at the Allegheny Valley site, class size projections and current room usage at SES and AVES. The charge resulted in the February 10, 2006 report “Sheffield Elementary School Closure Report Addendum”.

March 2006 The Finance Committee charged the Administration with further updating the Sheffield Elementary School Closure Report. The charge resulted in the report “A Single East Attendance Area Elementary School Report” of March 13, 2006
