

WARREN COUNTY SCHOOL DISTRICT GIFTED SUPPORT PROGRAM

COMPONENTS AS DEVELOPED AND RECOMMENDED BY THE CURRICULUM,
INSTRUCTION AND TECHNOLOGY COMMITTEE (Chairperson Richard Lyle, Dr. Jack
Martin, Nathan Lindberg, Jennifer Wortman)

April 25, 2006

The Warren County School District Gifted Support Program will...

1. be implemented in school year 2006-2007
2. adhere to the Pennsylvania Department of Education Chapter 16 Guidelines
3. have a .5 FTE principal
4. have a .5 dedicated K-12 counselor
5. provide gifted support programming for grades K-8 students at the Learning and Enrichment Center
6. provide gifted support programming for grades 9-12 students at home schools
7. emphasize both enrichment and acceleration in grades K-12 with a focus on enrichment in grades K-8 and a focus on acceleration in grades 9-12
8. have professional development for all District teachers of the gifted regarding GIEPs and provide District-wide training for classroom teacher support of gifted students
9. develop strategies to increase participation in program activities by grades 9-12 students
10. determine the assessment tools to be used with PSSA scores to evaluate the program
11. involve parents in the end-of-the-year program evaluation
12. establish an advisory group to meet each semester with the gifted support program teachers and administrators.
