RE: Policy 10465 and Assistant Golf Coaches

DATE: May 18, 2006

Please consider revising Policy 10465 so as to recognize the position of Assistant Golf Coach. The attached revision indicates the proposed participation level at which the interschool coach would be replaced by an assistant coach. As justification for this revision, please consider:

- In each of our golf programs, our interschool coaches currently invest the same time as their head coaches.
- This past year our golf teams traveled together to many events. The two head coaches traveled with the teams. This provided the opportunity for the interschool coaches to remain "home" with the balance of the team and assume assistant coach responsibilities. They did indeed do just that.
- The participation level indicated in the proposed revision would insure that there would be golfers remaining home to coach.
- An Assistant Golf position is recognized in the contract with the WCEA and the increase in cost is \$460 per position.
