RE: Summary of non-athletic supplemental positions

DATE: December 14, 2006

Some thoughts concerning the wide variety and large number of non-athletic supplemental contracts supported by the principals of our schools include:

- There is a distinction between co-curricular and instructional positions.
- The WCSD Athletic/Co-Curricular Employees' Handbook states that "...Volunteer staff is not to be left alone with students/athletes." However, this is not a WCSD Board Policy statement.
- Of the co-curricular positions the following are related to safety:
 - bus ramp
 - crossing guard
- Of the instructional positions the following are necessary parts of the curriculum in each school:
 - band director
 - choir
 - department head/team leader
 - detention
 - Math/School improvement
 - Nova Net coordinator
 - newspapers
 - student council/government
 - tutoring supervisor
 - yearbook advisor, sales, typist and business board
- The following positions provide compensation for significant after school curricular responsibilities including concerts and PMEA activities.
 - Band Director
 - Choir
- The following positions prepare facilities and distribute hardware.
 - Audio Visual
 - Auditorium Stage Crew

- The class advisor positions have varying responsibilities depending upon the grade level and school. In some cases, there may well be more responsibilities that one person can assume.
- The following are "county wide" positions.
All-County Musical
Curriculum Coordinator
- The following positions could have number quotas assigned to them. They could perhaps be included In Board Policy 10465.
Marching Band and assistants
Production-Drama/Musical
Stage Band
- In-School and Out-of-School clubs could be categorized as:

<u>Academic</u>	<u>Service</u>	<u>Activity</u>
Academic Bowl	Varsity	Trap
NHS	SADD	Bowling
French	WACOPSE	Ski
JETS	Crossroads
- Many of the In-School and Out-of-School clubs could have number quotas assigned to them. Perhaps those classified as "Activity" could be so limited.
