Re: Bell from the former N. Warren Elementary School

Dear Sir:

It has come to our attention through a conversation with Mary Putnam that the School District might be willing to give the bell from the former N. Warren Elementary School to Conewango Township.

Because of the Sunshine law this item will be placed on the agenda for the next Township meeting scheduled for March 12, 2007. Although no decision has been made, I have spoken with one other Township Supervisor on this subject and along with myself, also a Township Supervisor, both think this would be considered favorably.

If the bell would be given to the Township, it would be with the understanding that the bell will become a memorial of the former N. Warren Elementary School.

Another letter will be forthcoming after our meeting of March 12, 2007.

Cordially,

Charles W. Barone
Secretary-Treasurer

CC: Ruth Huck, Secretary
Warren County School District
