North Warren, PA 16365-4885

Dear Dr. Kennerknecht:

SUBJECT: Pleasant Elementary School Bell

Due to the fact that Pleasant Elementary School is closing on June 30th, Pleasant Township Supervisors hereby request permission to remove the school bell that is mounted on a concrete base in the Pleasant Elementary School yard. This bell dates back many years to a former school building in Pleasant Township. The bell was in storage in the garage of the present building until three township residents took it upon themselves to have the bell cleaned and restored by Warren Steel. Then they poured the concrete base and mounted the bell where it currently sits. During construction, a canister was placed in the concrete base.

Supervisors Marshall Gern and Don Zinger are two of the township residents who were involved in the restoration and mounting of the bell at the school and they would like permission to dismantle the base and remove the canister after the school is closed.

Very truly yours,

Paula A. Atwood
Secretary-Treasurer
