

Dear Mr. Kennerknecht, Mr. Martin and the Board:

This request comes to you from the EHS Lady Knights Basketball Boosters Association. In July 2007 our Boosters program sponsored the Barnyard Classic 3 on 3 Basketball Tournament in the back parking lot of Eisenhower High School. For a first year tournament everything went very smooth and was an enjoyable day for 33 teams covering 5 age divisions. In order to see if this event would be successful we had to make sure that our expenditures were at a minimum; therefore, we had borrowed our hoops from the Titusville YMCA program. As you can see in the pictures below they are very cumbersome and a lot of work for just one day's use.

Our request at this time is to install permanent posts that could be used for our tournament. The courts are still painted on the parking lot and we had 5 courts along the edge nearest the football field and three along the road. However we would like to have the ability to have up to 10 permanents so we would have to redesign a layout toward the practice field and possibly the road. The posts would be structured out of 6" casing buried in cement with an approximate 5' arm extending out to the backboard and hoop to allow set back from the edge of the parking lot. If we feel that there is abuse toward the hoops, we would remove the backboard and hoop.

If you should have any questions or comments regarding this proposal, we would greatly appreciate them as soon as you have had time to analyze. It is understood that this will have to be reviewed by the Committee on Buildings and Grounds prior to going to the School Board. If at all possible we would like to have this proposed at the March meeting so that we will have time to raise the funds and put the posts into production.

Thank you,

EHS Lady Knights Basketball Boosters

Diana Sherry, President

Rick West, Vice President

Dot Knapp, Treasurer

Michelle Williams, Secretary
