COURSE DESCRIPTION: Protective Services is a two-year instructional program preparing students to apply technical knowledge and skills necessary to perform entry-level duties as a police officer, fire fighter, dispatcher, paramedic, and other helping professions. The program focuses on the methods and procedures unique to criminal justice and emergency services. Physical fitness and self-confidence skills are emphasized due to the nature of this program. Professional attitudes and values will be developed.

Students will receive training in physical fitness, the judicial system, equipment operations, emergency assessment, and emergency treatment. There will be a cooperative relationship between the Protective Service program and the Warren County Sheriff's Office, the PA State Police, Warren City Police, and all Municipal Police in Warren County as well as the Warren County Emergency Services Management. Students in the program will have the opportunity to achieve certification in CPR, AED, First Aid, Telecommunications, and EMT. Students in the Protective Services Program will also have the opportunity to observe professionals in action through job shadowing, internships, and class visitations.

Professional attitudes will be developed through Skills USA and class activities.
