

- 1) D.A.R.E. Grant, 2008-09: The Pennsylvania Drug Education and Law Enforcement Grant Program application for 2008-09 is available, and due on May 28th. The district has used the grant for the past several years to fund the Drug Awareness and Resistance Education (DARE) program in any WCSD building with a fifth or eighth grade. Funding amounts have not been released, but will most likely not exceed \$6,500.

The DARE curriculum was taught in 2007-08 by a Warren County Sheriff Deputy and a City of Warren Police Officer. Both agencies are willing to provide staff to teach DARE in 2008-09. Each agency signs a “Law Enforcement/School Cooperative Agreement” indicating their participation in the grant.
