

September 2008

ROBERT E TERRILL SUPERINTENDENT  
WARREN COUNTY S D  
185 HOSPITAL DR  
NORTH WARREN, PA 16365

Dear ROBERT E TERRILL,

PSBA has developed a new and exciting payment program that allows your "Team of 10" to take advantage of PSBA seminars for one low price. For \$899, the Board Development Value pass provides your school board members and chief school administrator with unlimited attendance at any or all the evening seminars offered in 2008-09 along with Spring Legal Roundup in 2009 and the new Board President's Training Camp that will be offered in December.

According to our records multiple individuals from your team attended PSBA evening seminars during 2007-08 school year. With the Board Development Value Pass, you and your entire team can attend any or all of the above mentioned seminars for one low price.

Your district's assistant superintendent, business manager and school principals can have access to PSBA educational sessions as well. For \$249, the Administrator Value Pass is a cost-effective way to ensure that all of your district's decision-makers are capitalizing on their professional development opportunities.

The Board Development Value Pass offers a convenient and inexpensive alternative to the educational needs of your district's key school personnel.

For more information, please contact Michelle Sprucebank at 1-800-932-0588, ext 3308 to find out how to order a subscription. Hurry, this offer ends October 17, 2008!

Sincerely,

Pamela M. Price  
Director of Board Development Services

# Board Development Value Pass

Your "Team of 10" can take advantage of PSBA seminars for one low price.

**psba**  
Pennsylvania School Boards Association

With the rising transportation costs and increasing food expenses, school districts are facing a difficult economic year. But even with tighter budgets, school boards need to continue pursuing training opportunities to expand their knowledge and maximize their effectiveness.

PSBA has developed this new and exciting payment program that allows your "Team of 10" to take advantage of PSBA seminars for one low price. For \$899, the Board Development Value Pass provides your school board members and chief school administrator with unlimited attendance at any of the evening workshops and Value Pass program offerings.

With the Board Development Value Pass, your district will receive all of the following benefits:

- An economical and money-saving way for the entire school board to attend all of the participating educational programs.
- A one-step payment process that eliminates multiple invoices and payments.
- A flexible scheduling option that allows your board members to attend training on the days and at the locations that best fit their individual schedules.
- An easy renewal process that will allow your district to plan and budget for future training needs.

Your district's assistant superintendent, business manager and school principals can have access to PSBA educational sessions as well. For \$249, the Administrator Value Pass is a cost-effective way to ensure that all of your district's decision-makers are capitalizing on their professional development opportunities.

The Board Development Value Pass offers a convenient and inexpensive alternative to the educational needs of your district's key school personnel.

To purchase your Board Development Value Pass or to learn more about the 2008-09 educational seminars, visit [www.psba.org/workshops/value-pass.asp](http://www.psba.org/workshops/value-pass.asp) or contact Board Development Services at (800) 932-0588, ext. 3308.

## Training & Events

[Home](#) / Training & Events

PSBA, through its various programs, strives to provide the school leadership team with the tools they need to meet the responsibilities of school governance and leadership.

PSBA, through its various programs, strives to provide school board members, chief school administrators, board secretaries and other school leaders with the tools they need to meet the responsibilities of school governance and leadership.

### Workshops and conferences

PSBA offers a variety of workshops throughout the year and throughout the state, from new board member training to negotiations training, to hot topics such as property tax relief, school law and district budgets.
