To whom it may concern:

My name is Terri Walters and I've been working for the school district for many years. I'm in the middle of a property settlement. I'm trying to buy a house in Pittsfield. I have put a contract on it. I'm trying to negotiate a deal. If that doesn't fly, I have been looking at other houses in the Pittsfield and Youngsville area as a back up plan. I enrolled Nash in school because I wanted to start him out the first day of school so he wouldn't get behind. He is a very good kid. He loves sports and history.

Plus it would be nice for me to live closer to my work.

I have lived in Warren County for the past 24 year. I just want to move closer to Warren. I shop in Warren, support the community in community functions, and even bought my car in Warren.

Thank you for your time,
Thank you,

Terri Walters
