Subject: Haas Automation Equipment Proposal # OUXW3A20004E

Dear Delores:

In response to our above referenced proposal the equipment we are providing to the Warren County Career Center is distributed exclusively in Western Pennsylvania by our company which is the Haas Factory Outlet Pittsburgh located in Warrendale, P.A.

In addition the pricing that we have provided conforms to the Pennsylvania State Equipment pricing list.

We appreciate the opportunity to provide equipment manufactured solely in the United States by the one of Largest Machine Tool Manufacturer's in the world and look forward to working with your school.

Best regards,

Haas Factory Outlet Pittsburgh
