Upon execution of this contract, both parties must keep one copy with their records.

This contract can only be for a one-year period and cannot contain guaranteed renewal clauses.

A school or child care institution that enters into a contract with a school for the purchase of meals/snacks agrees to abide by the procurement standards outlined in Title 7 of the Code of Federal Regulations (CFR), Part 210.21, 220.16 or 226.22, as applicable, and by the Office of Management and Budget (OMB) Circular A-102. These regulations require that such procurement transactions be conducted in a manner that provides maximum open and free competition. Schools or child care institutions may use any of the four procurement methods outlined in OMB Circular A-102.

On January 13, 1987, the United States Department of Agriculture granted the PDE the authority to approve, on a case-by-case basis, noncompetitive negotiation as a method of procurement when meals are vended from one sponsor to another. ***For the PDE to approve the use of noncompetitive negotiation between sponsors, the following criteria must be met:***

1. The provider must have sufficient facilities and a delivery system adequate to handle the increased production.
2. The proximity of the provider must not be an undue hindrance to the fulfillment of the contract.
3. The provider has not received audit or CRE review findings within the past three years which would indicate that the provider was incapable of preparing proper meals, planning quality menus or maintaining adequate records.

This criteria has been incorporated into Items 12, 13 and 14 of the attached contract (PDE-3086). The PDE will accept the provider's signature on the contract as assurance that the provider has met the criteria specified above, thus resulting in the granting of approval by the PDE for the use of noncompetitive negotiation by the provider.
